

Dear Patients,

It is with mixed emotions that I announce my retirement. Caring for you, has been the most rewarding part of my 35-year career. At The Eye Center, I have come to know many of my patients and their families as friends, and I am honored that many of you have asked me to care for two, and even three, generations of your families. I am very proud to have helped in the establishment of The Eye Center and thrilled by the level of service it continues to provide our patients. I am confident that Dr. Kwak, Dr Fu, Dr. Allen, Dr. Bhandari and our care team at The Eye Center will continue to provide you with quality and compassionate care.

If you have any questions or concerns, please do not hesitate to contact The Eye Center office. I wish you good health and happiness in the future.

Robert Feldman, MD
